

FIFTY-SIX-YEAR-OLD Eric Pearson of Ironwood, right is led into Ironwood Municipal Court by sheriff's deputy for arraignment in connection with the death of seven persons after a shooting spree Saturday night in Ironwood. A group of Ironwood townspeople watch in background. Two persons remain in hospital with gunshot wounds from the shooting, police say. See page 12 for story and pictures. (AP Wirephoto)

Money Crisis May End Tax Deadlock

WASHINGTON (AP) — The lash of the gold crisis has driven the White House and Congress into a new round of negotiations that could produce deep spending cuts and an income tax increase.

Nobody was talking much, but there was reason to think that a serious effort is under way to break the long deadlock on the issue of how big a spending cut President Johnson would have to accept to get his proposed 10 per cent income tax surcharge — or some variation of it.

The combined spending cut-tax hike will be expected to shrink the prospective \$20 billion red-ink figure in the nation's accounts.

Bolster Dollar
Such a reduction would be counted on to strengthen confidence in the dollar and therefore bolster the emergency measures agreed on last week-end to check speculation in gold and maintain the present system of exchange between major Western currencies.

Following those weekend measures, the gold crisis was easing around the world. The dollar strengthened and gold prices sagged in Europe's markets Monday in overnight response to the seven-power agreement halting government sales to speculators and all other private buyers.

In Paris, scene of frenzied

speculative attacks on the dollar last week, the gold price slid to \$40.10 an ounce after reaching \$44.36 Friday. In Zurich and Frankfurt gold went from \$38 to \$41 an ounce in quiet trading.

The opening offer of an economy drive came from President Johnson's side—to cut the budget by about \$9 billion in appropriations, which translates into about \$4 billion in actual spending cuts during the year beginning July 1.

Johnson followed the offer up by calling in a Minneapolis speech for national austerity to win the Vietnam war and solve problems at home.

Chairman Wilbur D. Mills, D-Ark., of the House Ways and

Means Committee, the most powerful congressional holdout against a tax hike, expressed cautious interest.

"That word austerity pleases me," he told reporters. But he added he had not been consulted on the \$9 billion cut program. He would not say what he thought the spending cut figure should total but presumably it would be higher than Johnson's.

Chairman William McChesney Martin Jr. of the Federal Reserve Board warned the dollar is not yet safe. The storm could rise anew, he told a Detroit audience, if the United States does not move promptly to restore confidence by cutting its budget and raising taxes.

Britain Imposes Incomes Freeze

LONDON (AP) — Britain's Labor government imposed an immediate ceiling on all forms of income for Britons today and slapped on a variety of tax increases on consumer goods to help pull the nation out of a financial hole. But there was no rise in the already high personal income tax rate.

The program was put before the House of Commons by Chancellor of the Exchequer Roy Jenkins.

He said the aim of the program was to cut back consumption at home.

Jenkins was expected to slash off \$1.2 billion in purchasing power by hiking the income and corporation taxes, raising the sales tax 10 per cent, and increasing the annual auto license fee and the special taxes on gasoline, liquor, beer, wine and tobacco.

The government also is freezing wages and incomes for at

least 12 months and putting selective restraints on prices of goods that are not considered essential for the export drive.

The unions and the Labor party's left wing are certain to set up a howl.

Prime Minister Harold Wilson's cabinet gave final approval to the financial blueprint Monday, and Jenkins called on Queen Elizabeth II at Buckingham Palace to give her the traditional advance look at the document.

The chief aim of the bulky budget Jenkins has been working on for weeks is to permit British exports to take advantage of the competitive edge in prices provided by the Nov. 18 devaluation of the pound and get Britain's foreign trade balance out of the red. That can be done only by curtailing imports which are not essential to export industries.

Rockefeller Expected To Tell Candidacy Thursday

Johnson Fights For Reelection

By FRANK CORMIER

WASHINGTON (AP) — "Just one final word," said Lyndon B. Johnson, and then proceeded to utter more than 1,000 words—words designed not only to defend his policies in Vietnam but to help insure his political survival.

If anyone ever needed proof the President is a campaign-seasoned fighter, here was vocal evidence that for him the slogan in 1968 hasn't changed from 1964. It's "LBJ all the way."

And, from a look at the week-end headlines, one might even gain the impression that, when political survival is at stake, Johnson is a rugged fighter.

Before the LBJ counter-attack, the headlines reflected a solid week of bad news, from his standpoint: The "moral victory" over Johnson by Minnesota Sen. Eugene J. McCarthy in New Hampshire's Democratic primary; the challenge to Johnson's presidency by Sen. Robert F. Kennedy, D-N.Y.; and finally a gold-dollar crisis of dimensions unrivaled in more than 30 years.

One might suspect Johnson would have been dismayed, if not bowed, by all this. Assuredly, he felt the onrush of events. But he came back fighting hard.

Indeed, Johnson's step seemed to become springer and his platform oratory more pointed as the challenge grew.

The headlines really tell the story of the Johnson counter-attack against the forces arrayed against him.

On Saturday, Kennedy was accorded free television-radio time to announce his candidacy for the presidency. Initially, most observers thought he had the headlines wrapped up for Sunday morning newspapers.

But these seers reckoned without Johnson. Unannounced, he went before an audience of top-drawer businessmen and voiced a rather determined defense of his embattled Vietnam policy.

And that was only the beginning.

Simultaneously, "reliable sources" disclosed that Vietnam troop reinforcements would be moderate compared with the reported request for 206,000 additional men by Gen. William C. Westmoreland, U.S. commander in Vietnam.

What's more, the same sources disclosed that Johnson was secretly collaborating with leaders of Congress to make significant cuts in the federal budget—as the price for the higher taxes the President seeks.

Result: Johnson and the anonymous sources, wrapped into a single news account, captured headlines from Kennedy in many newspapers around the country.

Johnson, when pressed, is adept at using the power of his office to put down any challenge. So was John F. Kennedy. Barry Goldwater once complained that every time he had the potential of making headlines at a Republican meeting in the capital, the late President found a way to top him.

Theodore Souris

Justice Souris To Quit Court

DETROIT (AP)—Justice Theodore Souris announced today he intends to resign from the Michigan Supreme Court July 1 and return to private law practice.

Souris' resignation would reduce the court to seven justices, a limit set by the state's new constitution.

The Constitution provides that the first vacancy on the court by death, retirement or resignation shall not be filled. All eight current members, however, could seek re-election and the court would continue with eight justices until there was a death, resignation or retirement.

Souris, who is only 42, said, "I will be implementing the intent of the people of Michigan to reduce the total number of justices."

"I always have intended to return to the private practice of law," he said in a statement.

If he ran and were reelected, Souris said, he would feel obligated to serve the full eight years, at the end of which he would be 51. He said he thought it wiser to quit at 42.

Souris, a Detroit, was appointed to the court by former Gov. G. Mennen Williams on Jan. 5, 1960 to fill the unexpired term of Justice John Voelker of Marquette, who resigned to devote himself to writing after his phenomenal success with the novel, "Anatomy of a Murder."

Souris was elected later in 1960 to a seven-year term, but actually held over because the Constitutional Convention specified that henceforth justices will be elected in even numbered years and for eight-year terms. It provided then current justices would hold over beyond their normal terms to the next even numbered year election.

SENATOR ROBERT F. KENNEDY acknowledges applause, and is the focal point at Kansas State University where he spoke to students as part of the Landon Lecture Series. (AP Wirephoto)

Bitter Personal Duel By Bobby And LBJ Shaping

By JOSEPH E. MOHAT

WASHINGTON (AP) — Sen. Robert F. Kennedy's battle with Lyndon B. Johnson for the Democratic presidential nomination may be more bitter and personal than Kennedy apparently intended at the outset.

"The issue is not personal," Kennedy said in announcing his candidacy Saturday. He would campaign on the major issues America faces, he said.

But the chemistry of two emotionally-charged appearances Monday before shrieking university students in Kansas may have changed that.

So might his reaction to reports the White House leaked stories that Kennedy had offered to stay out of the race if Johnson would appoint a high-powered Vietnam commission to revise U.S. war policy.

"Need Honesty"

While Kennedy feels he came out ahead in the exchange over the commission, he uttered this phrase Monday before 17,000 Kansas University students: "This country needs honesty and candor in its political life and from the President of the United States."

And earlier he vehemently states more firmly than ever his reaction to any possibility of being Johnson's running mate: "I would under no circumstances accept the vice presidency under President Johnson."

The New York Democrat's campaign style began to show after only one day of all-out campaigning.

Best With Young
He is most comfortable, as he always has been, with a young

audience. And the frenzied response of more than 30,000 at Kansas State and the University of Kansas must have given him some reassurance that Sen. Eugene J. McCarthy, D-Minn., hasn't captured all of America's youth.

"McCarthy may have all the 'A' students," one long-time political reporter quipped. "But it

Please Turn To Page 8, Col. 3

Shriver Sticks To Sidelines

WASHINGTON (AP) — One of Sen. Robert F. Kennedy's closest advisers says he doesn't expect Kennedy brother-in-law Sargent Shriver to take part in the senator's campaign to unseat President Johnson.

"The last I heard, he is still to be ambassador to France," the source, who refused to permit use of his name, told The Associated Press.

Reports have circulated in Washington for weeks that President Johnson plans to appoint Shriver, now director of the Office of Economic Opportunity, ambassador to France. The post has been vacant since Nov. 15 when Charles E. Bohlen was promoted to undersecretary of state.

Shriver, vacationing in Spain with his wife, the former Eunice Kennedy, told a news conference today he has not been asked to help in Kennedy's campaign.

Times Reports Governor Will Run In Oregon

WASHINGTON (AP) — Nelson A. Rockefeller — under mounting pressure from party moderates to enter the Republican presidential race this week — first tests his views on GOP senators representing a spectrum of philosophies.

The New York governor planned to outline his position on government spending and other matters today at a meeting with 20 senators ranging from conservatives to liberals.

The New York Times said today Rockefeller will become an active candidate Thursday with an announcement he will enter Oregon's May 28 primary. Friday is the deadline for filing candidacy papers there.

No Source Named
The newspaper gave no source for its report and Rockefeller press secretary Leslie Stote said, "I know nothing about it."

Rockefeller brushed aside reports he may be forced to face Richard M. Nixon in the Nebraska primary if he becomes a candidate. "The world isn't going to be made or broken on one primary," he told newsmen as he arrived in Washington.

While Rockefeller was pondering, lines were hardening in the embattled Democratic presidential race with these developments:

No Surrender
—President Johnson — in apparent allusion to Democratic candidates Robert F. Kennedy and Eugene J. McCarthy, who oppose his war policy—said "we don't plan to surrender (in Vietnam) or let people divide our nation in time of national peril."

—Kennedy, in two emotionally-charged appearances before Kansas university students, proposed direct negotiations with the Viet Cong as part of efforts to end the war and said: "This country needs honesty and candor in its political life and from the President of the United States."

—McCarthy told a news conference in Maine Kennedy's offer to help him in early primaries and then face him in later ones sounded "kind of like fattening me up for the kill."

—The Gallup Poll shows Johnson and Kennedy tied as the people's choice to become the Democratic presidential nominee. Each got 41 per cent of the votes in a survey of adults in 300 cities and communities.

Not Friends Only
Rockefeller's meeting today was with senators who included Nixon backers and others hostile to a Rockefeller candidacy.

Rockefeller backers had met in Washington the day before and quickly adopted a resolution calling him "the Republican with the greatest chance of winning in November."

The session was called by Maryland Gov. Spiro T. Agnew—who said at a news conference he hoped Rockefeller would stay out of the Nebraska primary.

Nebraska "is probably the top state for Nixon in the whole country," Agnew said. And he said there is not enough time to mount an effective campaign for Rockefeller there.

But Rockefeller could be forced into the contest if Nebraska Secretary of State Frank Marshall puts his name on the ballot under the state's policy that all prospective candidates be included.

North Central Liner's Wheel Found On Ice

BENTON HARBOR (AP)—An airliner's nose wheel assembly found in Lake Michigan ice off shore from this Western Michigan city has been traced to an airplane that made an emergency landing without the wheel in Chicago Jan. 28.

A North Central Airlines Convair 440 carrying 35 passengers and three crew members made the landing at O'Hare Airport in Chicago. There were no injuries.

Airline officials said at the time that the pilot, on a flight from Chicago to Benton Harbor, received clearance to land at Ross Field here but turned back when he noticed the nose wheel wasn't working.

Marines Fight Off Red Rocket Outfit

SAIGON (AP) — U.S. Marines overran a rocket-firing band of North Vietnamese regulars Monday and reported killing 67 of the enemy in new fighting below the eastern end of the demilitarized zone.

This brought enemy casualties around the U.S. Marine base at Dong Ha to more than 900 since March 1. Twelve Marines were killed and 24 were wounded in the clash Monday four miles north of the big Marine supply base.

About 150 Marines were maneuvering to attack the enemy position when they were flailed by about 40 rounds of 140mm rocket fire. Allied artillery, helicopter gunships and fighter-bombers hammered the enemy lines for an hour, and then the Leathernecks attacked.

Menace Supplies
The heavy fighting ended quickly, as the enemy fled. The Marines captured three prisoners.

3rd Marine Division and supply depot for all allied outposts along the eastern half of the DMZ, has been under pressure from troops of North Vietnam's 324B Division that slipped through the buffer zone and past allied outposts earlier this year. South Vietnamese forces have reported killing more than 700 of the enemy in the area this month while the Marines say they have killed more than 150.

Below the western end of the DMZ, North Vietnamese gunners hurled 125 rocket, mortar and artillery shells into the much-scarred Marine combat base at Khe Sanh Monday. A U.S. military spokesman said casualties as usual were light among the base's 7,000 defenders.

Raids Near Khe Sanh
U.S. B52 bombers kept up their daily raids on the North Vietnamese troops encircling Khe Sanh.

The big bombers flying four missions Monday afternoon and

this morning also hit enemy troop positions 16 miles north of Ban Me Thuot, in the Central Highlands.

The allied commands reported two other ground actions Monday in which 56 of the enemy were killed. Troops of the U.S. 11th Light Infantry Brigade killed 11 guerrillas along the coast 310 miles northeast of Saigon while suffering no casualties. South Vietnamese infantrymen reported killing 45 enemy soldiers in a battle 35 miles southwest of Saigon and said their own casualties were light.

IRS Compromises 8 State Men Big Tax Debts

WASHINGTON (AP) — The Internal Revenue Service quietly compromised individual income tax debts of \$100,000 or more in 20 cases last year, writing off one for less than a penny on the dollar.

These were among 10,000 private agreements—the IRS calls them “offers in compromise”—reached in 1967. Under the tax code, there are only two legal grounds for compromise. The taxpayer can't pay in full, or there is substantial doubt he owes as much as the government claims.

In the 20 biggest cases, the taxpayers collectively settled a bill of \$6,836,957 for \$949,312, an average of 14 cents on the dollar.

One Texas oilman settled a \$944,344 claim for \$20,000. Another was billed for \$582,379 and paid \$7,000. A New Jersey businessman eliminated a \$1,080,634

claim for \$60,000. A Florida secretary cleared up a \$291,000 IRS bill for \$2,500.

All four said they could not pay their full tax bill.

So did William Oldfield Bridge, a Michigan trucking company executive prominent in horse racing circles. Bridge told the IRS he had only \$10,768 in assets. His tax bill of \$594,398 was settled last Dec. 14 by the office of IRS Commissioner Sheldon S. Cohen for \$110,000. The balance was abated—written off the books—but Harold Snyder, chief of the IRS Collection Division, said in an interview that \$140,000 subsequently was recovered “from another person” in a separate transferee proceeding.

On Sept. 29, eleven weeks before the settlement was approved in Washington, a Delaware corporation bought a 6,000-acre farm in Sac County, Iowa. The farm is valued by land experts who live in the area at \$3 million or more. The buyer: Shinnone, Inc. W. O. Bridge is one of three directors of Shinnone, Inc. His wife, Frances, is president and a director.

8 State Men Die In Vietnam

WASHINGTON (AP) — The Defense Department said Monday that four Michigan servicemen had been killed in recent action in Vietnam, two previously reported missing had been found dead of hostile action, and two had died of nonhostile causes.

Killed in action were Maj. Walter L. McCahan, husband of Mrs. Beverly G. McCahan of Grand Rapids; Spec. 4 Mark L. Dickson, son of Mr. and Mrs. Clyde H. Dickson of St. Clair Shores; Spec. 4 Leon G. Edwards, son of Mr. and Mrs. Freddy Edwards of Detroit; and Pfc. John D. Beaver, son of Arthur D. Beaver of Detroit.

Changed from missing to dead of hostile causes were Pfc. Warren G. Brown, son of Mr. and Mrs. James S. Brown of Detroit; and Pfc. Dwaine W. Vandenberg, son of Mr. and Mrs. Gerritt Vandenberg of Grand Rapids.

Those who died, but not of hostile action, were Pfc. Henry J. Chester, son of Mr. and Mrs. Henry J. Chester of Detroit, and Pvt. Robert W. O'Donnell, son of Mrs. Eleanor B. O'Donnell of Cheboygan.

WHEN YOU'RE A LITTLE OLDER, you'll settle for a robin . . . or the first sign of swelling in a pussywillow bud. But when you're a boy . . . well, you think about marbles, and you think about kites. And you watch the creek run fast with melting snow. And then one day when the sun bites in and the sky gets that certain blue, you just dump your jacket and kick off your boots and let your face break into a grin which can come only in spring. Ken Griswold, Mike Garzelloni, Ray Griswold; 3 sets of boots, 3 jackets, 3 boys with their thawed-by-the-spring-sun smiles. (AP Wirephoto)

Pollution Control Bonds Called A Profitable Deal

By BOB VOGES

LANSING (AP) — Backers of the water pollution control-recreation bond issue admit \$435 million is a lot of money—but they argue the state will get back \$3 for every \$2 invested. Their job will be to sell the argument to a two-thirds majority of both houses of the Legislature.

Then the \$335 million bond issue for water cleanup and \$100 million for recreation investment still has to receive approval of the voters in November.

The \$435 million actually will buy \$1.35 billion in recreational facilities and pollution control, backers declare, counting on contributions from federal support and local investment.

The bond issue, too, will be floated without a need for new taxes.

The repayment cost over a 30-year period is estimated at \$24.4 million. But other bonding proposals expiring in 1970 and 1971 will free \$13.5 million a year for

paying off the conservation bonding.

Control Is Goal

The major goal is firm control of water pollution in Michigan by 1980.

It is estimated this will involve the construction of 210 new municipal waste treatment plants, building sewage treatment plants.

Unless this is done, the conservationists warn, our Great Lakes will become great sewers with Lake Michigan the first to be turned into a huge container for human and industrial wastes.

In support of the \$100 million recreation issue, it is pointed out that recreation land costs are going up by about 10 per cent a year.

Recreation Projects

Among the items the \$100 million will buy are listed:

—6,000 new camp sites and parking facilities for 18,000 more cars to serve an additional 189,000 people daily.

Some 1,500 new campsites and 1,000 miles of new roads and trails in state forests to serve an additional 7,000 people daily.

—New and expanded game areas in Southern Michigan, expansion of wetlands development for wildfowl shooting and deer habitat improvement on some 200,000 acres of state land.

—Construction of three new state hatcheries to expand the annual planting capability to about 20 million more fish a year.

—Grants to local units of gov-

ernment for recreation development, these at only 25 per cent of the total cost to the townships, cities and counties.

Riot Area Youth Get Phone Firm Job Opportunity

DETROIT (AP) — Thirty mid-year graduates from an inner city high school have accepted positions with Michigan Bell Telephone Co. in a program, begun since last July's riot, to provide job opportunities and educational incentives to youths.

The students are from Detroit Northern High School, which the telephone company selected to concentrate its efforts.

The company said the 30 graduates represent about one-fifth of the class that was graduated in January. Seventeen other Northern students are holding part-time jobs with Michigan Bell.

Forty of the graduates have applied for entrance to college.

Potato Stocks Up

LANSING (AP) — Michigan growers, dealers and processors held 2.2 million hundredweight of potatoes in storage as of March 1. The State Crop Reporting Service said this is seven per cent larger than the potato stocks on hand March 1 a year ago.

Students Seek Sexual Honesty

BOULDER, Colo. (AP) — Fifty students at the University of Colorado met Monday night to organize a "League for Sexual Honesty."

The announced purpose of the organization is to protest "out-moded sex laws."

Forty-two men and eight girls attended.

Teamster Chief Denies Coercion

DETROIT (AP) — The president of a Teamsters Union local denied charges Monday that a publisher of an interim strike newspaper was coerced into signing a contract with the Teamsters.

Local 372 president Clare O'Connor said the contract was voluntarily signed by Frank Beaumont, the publisher of the now defunct Detroit Daily Express, which sprang up last November.

Members of a special State Senate committee investigating the newspaper strike also heard O'Connor testify that he opposed the strike by the Teamsters on Nov. 16 against the Detroit News.

Detroit's other metropolitan newspaper, the Free Press, then suspended publication since it bargains jointly with the News.

Neither has published since.

Tells Of Threats

At a previous hearing, Beaumont testified he had been threatened with a "kerosene party" unless he agreed to the contract with the Teamsters. The contract proved too costly and his paper closed down.

The other two interim strike papers also closed after the Teamsters Union signed contracts with them.

Some Teamsters members had figured prominently in the distribution and management of the interim newspapers, including Beaumont's prompting U.S. Sen. Robert Griffin, R-Mich., to say there was possible labor racketeering in the strike.

O'Connor testified Monday he did not believe the local voted for a strike so that some Teamsters members, who went to work for the interim newspapers, could make a profit.

"I don't say it wouldn't be possible, but I don't think so," O'Connor said.

Sought Long Strike?

Also Monday, Robert Holmes, an international Teamster vice president, said he did not approve of the fact that some teamsters formed a corporation to distribute a strike paper.

"I don't appreciate that they did it," Holmes said concerning an organization called Metropolitan Distributors which was started by Teamsters and circulated Beaumont's papers.

In a reply to a question from committee chairman Sen. Robert Huber, R-Troy, Holmes said some unions members may have wanted to prolong the strike.

"There's no doubt about it. That's the conclusion we've reached," Huber said.

Huber said the Teamsters who were in charge of the organization which distributed Beaumont's paper made five or six times their normal wages.

Closed Papers

Officials of the Teamsters local, with the complete backing of the international, then moved to close the interim papers, thus cutting off high revenue sources to some Teamster members.

The Teamsters ended their strike last Friday when they ratified a contract with the News. Teamsters at the Free Press earlier voted for a new pact, which calls for \$30 a week hike in wages and fringe benefits over three years.

However, four other unions have gone on strike in the last month over new contracts. Mayor Jerome Cavanagh is scheduled to meet with the striking union and the publishers of the two newspapers today.

Christmas Tree Meet Is Set

A meeting on Christmas tree growing has been scheduled for Wednesday evening announces J. L. Heirman, Delta County agricultural agent in the Delta County Building, Escanaba at 7:30 p.m. All Christmas tree growers and interested persons are invited.

Information on Christmas tree production practices will be presented by Lester E. Bell, East Lansing, and Roy E. Skog, Marquette forest specialists with Michigan State University. Bell has written a book and numerous articles on Christmas tree growing and is recognized as a national authority in this field.

The meeting will cover all aspects of Christmas tree growing, with emphasis on new research findings. Based on recent genetics studies, the best varieties of scotch pine to plant in the Delta County area will be discussed. The choice of other trees including different kinds of spruces and firs, will also be explained.

Use of herbicides to control weeds, fertilizing young trees, and insect control are other program topics. Shearing practices for pine and spruce, and the use of foliage sprays to improve tree color will also be covered.

Information will also be presented on a proposed marketing program for Michigan grown Christmas trees. This program, if enacted by a referendum of all growers, would permit the levying of up to 2c per tree sold for use in the promotion and marketing of Michigan Christmas trees.

L'Anse Voters Reject Millage

L'ANSE (AP)—Voters in the L'Anse school district Monday rejected by a 618-290 margin a proposal to increase school millage 5.5 mills. School Supt. Robert Fredrickson said after the vote the district would wind up the school year with a \$50,000 deficit which would force some cutbacks in school services. He said another election would be sought.

College Friends Open Millage Drive

Friends of Bay de Noc Community College meeting at the college Monday night finished plans to put over a 1.5 mill election for the college on Monday, April 1.

The money is sought for operation of the college and to begin construction on its new campus in the Escanaba Industrial Park.

Friends of the College is a volunteer group which will head the campaign throughout Delta County to get a "Yes" vote on the millage.

The campaign planned last night will include:

1. An Open House at the college for the public to show what the college is doing to serve the county. The open house will be from noon until 5 p. m. Sunday, March 24. Wendy Erickson, a college student and member of the committee is chairman of this event which is being hosted by the students of the college, who will staff the event.

Music And Art

The college combo will play, the college choral group under direction of Mrs. Marie Peterson will be heard and there will be a student art show. Closed circuit television will show visitors the operation of the college, and there will be a live radio broadcasting of the event.

2. A speaker's bureau is active in advocating a "Yes" vote. Arthur Brien talked to the Lemmer School PTA last night on the millage. On Wednesday night Fred Fisher will speak at the Bark River-Harris PTA meeting and Dick Powell will speak at the Ford River PTA meeting.

3. A Channel 4 American Cablevision will air a program explaining the millage a week before the election and picturing the college's program of academic studies, nursing school, welding and other vocational education.

Plan Education

4. Radio panel shows are planned and press coverage of the issues in the election.

5. An advertising campaign is coming up and a drive for \$1,500 in gifts is now underway, with Tom Straebel as chairman. No tax money will

be used in promotion of the millage.

6. Student Government of the college will conduct an election day campaign to get voters to vote, to provide transportation to the polls for those who need it, and to provide sitter service for mothers while they vote.

7. Gene Hebert is chairman of the Friends of the College subcommittee on campaign literature.

Countywide Effort

Chairman Harold Vanlerberghe said that the two week campaign to put over the millage would stress Delta County's dependence upon the college for so many services, including two years of academic work for college students, vocational education to train workers for jobs, and health, cultural and economic services to the public.

"We needn't remind our people," said Vanlerberghe "that the Bay de Noc College District includes all of Delta County, not just Escanaba and Gladstone. The whole county is served by the college and the whole county bears the millage that supports it."

Needs Of Growth

"As friends of Bay de Noc College our interest in the college is that it keep pace locally with the rapidly expanding industrial economy of Delta County. If the college can't keep up with this growth it can never catch up."

"The people of Delta County are to be commended for their foresight in establishing the college," said Jerome Stannard, supervisor of Ford River Township, "because it places college opportunity within commuting distance of all the people."

Members of the Friends include Vanlerberghe, Carl Ahlin, Bark River; Stanley Dominick, Rapid River; Wendy Erickson, an Escanaba student; Mrs. Mae Frenn and Gene Hebert of Escanaba; Mrs. Anita Lewis, Gladstone; Jack Miller, Rapid River; Robert Olson, Walter Peterson, Tom Straebel, Mrs. G. W. Traverse, Carl Anderson, Lawrence LaCrosse and Leland Wellman, all of Escanaba; and Sherman Derosha and Victor Brock of Gladstone.

Bitter Personal Duel By Bobby And LBJ Shaping

(Continued From Page One)

looks like Bobby's got the 'B' and 'C' students."

Kennedy made it clear in his first day of campaigning that the Vietnam war will set the pace of his effort.

At the last moment before his opening address at Kansas State he added this line about the war:

"If the defense of Khe Sanh is so important to the South Vietnamese government, I want to see South Vietnamese troops in there and the U.S. Marines out of there."

The response to that was so violently favorable that he tried it again at the University of Kansas in the afternoon and an even greater ovation assured the line a prominent place in Kennedy's campaign oratory in the days ahead.

The sea covers about 70 per cent of the earth, but less than 5 per cent of the ocean floors has been accurately mapped.

FRIENDS OF Bay de Noc Community College pictured at the college Monday night included, from left, seated: Jerome Stannard, Ford River; Wendy Erickson, Bay student member of the committee; Mayor Harold Vanlerberghe, general chairman of the committee; Stanley Dominick, Rapid River;

top: Gene Hebert, publications chairman; Robert Olson, publicity chairman; Mrs. Mae Frenn, treasurer; Tom Straebel, finance chairman; and Mrs. G. W. Traverse, advertising chairman. (Daily Press Photo)

Briefly Told

There will be no public high school religion classes for students or adults this week.

There will be a general meeting of the Players de Noc at 7 tonight in room 10 of Bay de Noc College.

The Fraternal Order of Eagles will meet at 8:30 tonight in the clubrooms. Nomination of officers will be held and all members are urged to attend.

Escanaba police have issued traffic court notices to Donna Godlewski, 407 Ogden Ave., for failing to exercise due care; James D. Leonard, 1503 N. 16th St., speeding; and Melvin T. Taft, 1318 Ludington St., no valid operator's license.

Don Guindon, Escanaba city clerk, left today for Lansing, where he will attend meetings of the Michigan Municipal Clerks Association, of which he is third vice president, and the elections committee of the Michigan Municipal League, of which he is a member. He will return Wednesday night.

Marriage license applications have been made at the County Clerk's office by the following couples: Joseph Charles Gorzinski, Wilson, and Lovella Mary Wolak, Chemical Plant location, Gladstone; James Douglas Shandonay, 573 N. 13th St., Gladstone, and Karol Anne Jacobsen, 1204 Delta Ave., Gladstone; Daniel Lee Kurth, Rte. 1, Escanaba, and Phyllis Ruth Snow, 2205 12th Ave., S.

Rock

The Coffee Hour and Conversational Study will be held at the Rock Bible Chapel Thursday at 9:45 a.m. The study will be in one the 16th chapter of Corinthians. All interested ladies are welcome. Anyone needing transportation may call Jack Bergs or John Smalls.

The Rock Ladies Aid will meet Thursday at 8 p.m. at the home of Mrs. Martin Falack. All interested persons are welcome.

Mrs. M. Price Taken By Death

Mrs. Minnie Price, 77, formerly of 1824 8th Ave. S. died at 7:25 p.m. Monday at the Del-Jar Nursing Home in Peshtigo, Wis. where she had resided for 26 months.

She was born March 5, 1881 in Marinette and her husband, Merton, died June 14, 1960.

She is survived by one son, Loren of S. Milwaukee; one grandson, and three great grandchildren; her stepmother, Mrs. Sophie Starns; three step-sisters, Mrs. Stanley Sheehan of Groos, Mrs. Howard Dishno of Wells and Miss Doris Costley of Escanaba; three stepsons, Roy, Francis and James Costley of Escanaba.

Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Wednesday and complete funeral services will be conducted at 2 p.m. Thursday at the funeral home with Rev. Roger Patrow officiating. Burial will be in Lakeview Cemetery.

Cabins Entered, Juveniles Held

Two juvenile boys, ages 15 and 16, have been picked up by Delta County Sheriff's officers in connection with breaking and enterings at seven cabins on the Stonington Peninsula.

Sheriff's officers said the boys admitted the breakings. The youths were referred to Probate Court.

Officers said the cabins, located in the Firetower Rd. area, all were owned by residents of Gladstone. Entries were made by breaking windows, officers reported. The cabins were ransacked, but the only things reported missing were a knife and an ax from one cabin, deputies said.

Owners were identified as Dennis Thompson, Fred Tharp, Marvin Christianson, Vern Peterson, Alvin Bjorklund, Bob Stearns and Donald Hedman.

Two Injured South Of City

Two persons were injured, neither seriously, about 12:40 p.m. Monday in a two-car accident on M-35 about five miles south of Escanaba, State Police reported.

Officers said a car driven by Ladene Snowden, 38, of Rte. 1, Escanaba, collided with a car driven by Ernest Berg, 54, of 508 S. 16th St., Escanaba. The accident happened as Mrs. Snowden began to pass as Berg started to make a left turn, officers said.

Mrs. Snowden and a passenger in her car, her son, Scott, 1, were treated by a private physician for minor injuries, troops reported.

Sidney Kibby Dies On Monday

Word has been received that Sidney Kibby of Dearborn, Mich., a former resident of Escanaba, died on Monday evening.

He is survived by his widow; three sisters, Mrs. Clara Treiber, Mrs. Eva Fisher and Miss Pearl Kibby, all of Escanaba. Several nieces and nephews also survive. A brother, Fred Kibby died on Feb. 2 of this year.

Funeral arrangements are incomplete at this time.

ing five miles north of Saigon's Tan Son Nhut air base, found a cache containing 80 122mm rockets, 1,200 mortar rounds, 138 warheads for bazooka-type rockets, 30 recoilless rifle shells and half a ton of TNT.

No major ground action was reported in the eight-day-old operation. The U.S. Command reported 821 enemy soldiers and 32 Americans have been killed, while a government spokesman said South Vietnamese losses have been light.

U.S. headquarters reported an Air Force F100 Super Sabre jet and two helicopters were shot down Monday.

The Super Sabre, 811th U.S. combat plane officially reported lost over North Vietnam, was downed in the panhandle 30 miles southwest of Dong Hoi. One crewman was rescued, the other was missing.

One crewman was wounded in a helicopter crash 115 miles west of Saigon, while two crewmen were wounded when their chopper was shot down 110 miles southwest of the capital.

U.S. planes flew 71 missions over North Vietnam Monday. Among their targets were the Kien An airfield six miles southwest of Haiphong, a power plant 27 miles northeast of the port city, and a highway ferry 18 miles south of Hanoi.

Burglars Enter Offices, Church

Escanaba's baffled burglars, who usually get pennies or nothing for their troubles, struck two offices and a church Monday night, city police report.

Police on patrol at 1:03 a.m. today discovered that a window had been broken at the rear of the Medical Building, 1219 Ludington St., and investigation disclosed that entry had been made into a hallway.

The thieves failed to get into the offices of Dr. Thomas A. McInerney and Dr. Robert Ryde from the hallway, police said. The front door of the building had also been damaged in an effort to gain entry.

The office of Dr. A. A. Gosan, 113 S. 12th St., was entered by forcing open the door. A window was also broken. Police patrol discovered the breaking and entering at 1:37 a.m.

Five rooms in the office were searched by the thieves who overlooked \$50 in a filing cabinet. Several pairs of sun glasses are missing.

Bethany Lutheran Church, 202 S. 11th St., had been entered sometime during the night, but there appeared to be only a minor loss of money. The burglary was discovered and reported at 7:50 a.m.

The latest three burglaries brings the total to seven in the city within the past few days. Four burglaries were reported after the weekend.

Garden Peninsula

The Norman LaBute family has returned from a week's visit in Flint with relatives there.

Draft Boycott Plan Dropped

ANN ARBOR (AP) — University of Michigan student government groups have withdrawn their plans for a boycott of classes as part of a proposed teach-in on the Selective Service system later this week, the university announced Monday.

The keynote address to the two-day event scheduled to start Tuesday was to be delivered by Yale University chaplain William Sloane Coffin, an outspoken opponent of United States involvement in Vietnam.

The student government said the program is not designed as a protest against loss of student deferments for graduate students, but as a consideration of the entire Selective Service system.

Library Education

WASHINGTON (AP) — Three Michigan universities have been awarded grants from the U.S. Office of Education for graduate fellowships in library and information science education. These include \$171,980 for the University of Michigan, \$43,680 for Wayne State University, and \$49,920 for Western Michigan University.

Menu Mixup

NEW ORLEANS (AP) — A Chamber of Commerce group met for lunch Monday to signal the start of "Louisiana Beef Week." The menu was fried chicken.

THE HAZARDS OF SNOWBALLS around the Wells School have been substantially reduced thanks to special snowball targets, according to Floyd Cassidy, principal. Cassidy said four targets were made by one of the fathers, the painting was done by the school safety patrol and nails were donated by an Escanaba lumber company. Since the targets were put up, youngsters have thrown snowballs at the bullseyes rather than at other youngsters or school property. (Daily Press Photo)

Hare Predicts Car Sale Mark

LANSING (AP) — Michigan could be headed for a record in automobile sales, Secretary of State James Hare says.

Hare reported there were 3.8 million vehicles licensed through his office by the first one-third of March, some 190,000 ahead of last year at the same time.

Hare said an increase of 200,000 car sales a year is considered good, while a 250,000 increase would be "phenomenal." "If the trend continues, we could have the first year where Michigan registrations hit 4.8 million and even higher," Hare said.

The total motor vehicle registration for 1967 was 4,615,630 vehicles, about 40,000 more than in 1966. Passenger cars accounted for more than 3.5 million of the total, Hare said.

Weston Vivian Promotes Bobby

ANN ARBOR (AP) — Weston Vivian, former U.S. representative, has announced formation of a 2nd District Democratic committee to promote the candidacy of Sen. Robert F. Kennedy, D-N.Y., for presidential nomination.

Vivian, who was unseated in the last election by Rep. Marvin Esch, R-Mich., said the 2nd District Democrats for Kennedy Committee will select officers and open a number of offices in communities around Ann Arbor in coming weeks.

Earnings Drop

DETROIT (AP) — Detroit Edison Co. reported Monday its net earnings for the last year were \$61,051,965 or \$2.05 per common stock share. Gross revenues were \$418,343,017 for the year. For the previous 12 months, net earnings were \$62,007,529 or \$2.15 per common share.

UAW Awards Scholarships

DETROIT (AP) — Four high school juniors have been awarded \$800 scholarships by the United Auto Workers to attend the national music camp in Interlochen, Mich., this summer.

Winning music scholarships were James R. Brewer, 17, of New Castle, Ind.; Rosalie Barath, 16, of Independence, Ohio; and Martin Kalve, 16, of Buffalo, N.Y.

The UAW awarded an art scholarship to Mary Ann Albanese, 16, of Mishawaka, Ind. It was the first time that the UAW awarded a scholarship in the field of art.

The four were selected from among 198 candidates in competition open to sons and daughters of UAW members. The camp runs June 23 to Aug. 19.

Money Crisis Crimps Politics

By JOHN CUNIFF

NEW YORK (AP) — In the next few months the United States will be forced to steer a cautious course between political temptations and economic realities.

In an election year it hampers the incumbent year to pursue expansive economic policies—to produce jobs, quantities of material goods and fat paychecks. In other words, to produce a feeling of well being.

No matter how great the temptation, that course cannot now be pursued by President Johnson. Because of the great pressure on the dollar, as dramatized by the weekend crisis meeting, a less inflationary course must be followed.

Housing Periled

In all probability this means higher interest rates, a slowdown once again in much needed housing starts, less government spending than was anticipated, and perhaps—though still not certain—higher taxes.

This is just one example of how the dollar crisis has reduced the United States' freedom of action. To point to the Vietnam war is another example, for the high cost of that war is now likely to be a deterrent to escalation.

Almost all important fiscal decisions now must be reconsidered in light of the crisis. In other words, the crisis continues, and so long as it does the nation's courses of action are circumscribed in many areas.

Action Predicted

Further evidence of the reduced freedom of Americans is the threatened tax on travel abroad, and the limitations that now exist on American industry's ability to invest in foreign economies.

In fact, inherent in the statement by central bank governors who met at Washington was the understanding that the United States must attempt to slow its economy while those of other nations are spurred.

This should have the effect, if accomplished, of encouraging European economies into an expansive mood that would increase their demand for American products and services. This would cause an inflow of dollars to the United States at the same time the United States was stemming the outflow.

larger market for American goods, is a hope rather than a probability.

In fact, world trade already has been slowed by the threats to monetary order. The U.S. dollar is not as welcome, as acceptable, as it once was. And the convertibility of one currency to another is more suspect than a year ago.

Success Doubled

But there are reasons to believe this course may not be too successful. The United States cannot order other nations to do business with it. The needed expansion of world trade by European nations, partly to make a

On or about Oct. 1, the woodchuck retreats to his burrow and hibernates there until approximately April 1.

Faculty Changes

DETROIT (AP) — Two major faculty appointments have been made at Wayne State University. Dr. Joseph P. Hourihan, an associate professor in social work, had been named assistant dean of the School of Social Work. Dr. Ralph L. Nash, professor of English, has been named chairman of the English department.

In Roman times, Paris was a small fishing village called Lutetia.

THIS IS THE Lake Road Tavern in Ironwood where Rudolph Maurin, 56, was killed and Mrs. Alex Puisto, 47, was fatally wounded in a shooting spree Saturday night. The gunman was captured in the tavern. (Associated Press Wirephotos)

FOUR PERSONS DIED in this modern home Saturday night. This is the rear door of the residence. A 12-year-old girl who attempted to hide in a closet in the house was critically wounded. Mrs. Vienna L. Gustafson, one of the victims, owned the home.

SIX OF THE SEVEN persons who died Saturday night in Ironwood are pictured. They are top row from left, Mrs. Vienna L. Gustafson, 41; her mother, Mrs. Sally Johnson, 61, both of Ironwood; Dan Weiss, 67, Lansing; bottom row from left, Mrs. Katherine Rigoni, 59, Ironwood; Rudolph Maurin, 56, Ironwood and Raymond Hautala, 49, Ironwood.

Stunned Residents Mass As Gunman Led To Court

IRONWOOD (AP) — Stunned residents of this small mining city massed by the hundreds in the streets Monday as a 56-year-old man was arraigned on a murder charge in connection with the most sensational killings in western Upper Michigan since the days of John Dillinger.

Several hundred townsfolk, muttering quietly among themselves, huddled around the steps of the white stone Ironwood Memorial Building as Eric Pearson, 56, was led into court by Sheriff Chester J. Prebish and two deputies.

Wearing a long grey overcoat, with baggy pants flopping over his shoes, Pearson was arraigned on a charge of murdering one of the seven persons killed in a rampage of gunfire Saturday night. Also, a girl and a woman were injured critically.

The girl, Robin Gustafson, 12, was shot in the stomach through the door of a closet where she was cowering trying to escape the killer. She remains in critical condition at Grand View Hospital.

Skillful Hunter

The woman, Mrs. Raymond Hautala, 61, wounded when the killer invaded her house and fatally shot her husband, was reported in fair condition.

Pearson, a native of the iron mining and lumbering town of 10,500, was described by a resident as "a skillful hunter and a loner who seemed to be an all right fellow."

He was jailed without bond to await a preliminary hearing on March 26 in Ironwood Municipal Court.

The last time Ironwood residents could recall a violent event of such magnitude as the slayings — almost all the victims were well known in the community — was in the 1930s.

At that time, the notorious John Dillinger holed up with his gang of bank robbers in a resort at Little Bohemia, Wis., a town 40 miles south of Ironwood.

G-men surrounded the resort. An innocent man walking out the door toward what he hoped was safety was shot by the government agents. Later, a G-man was killed a short distance away at a house where Dillinger had gone to commandeer a car. Then Dillinger fled.

Accused Of Murder

Pearson, a rugged, 5-foot-11 man weighing 170 pounds, with reddish-grey hair, was accused of first-degree murder in the slaying of Rudolph Maurin, 56, of Ironwood.

Authorities said that, chron-

MSU Players In Wilder Drama

"The Skin of Our Teeth" by Thornton Wilder one of America's most successful plays — will be sponsored by the Players de Noc of Escanaba for presentation by a Michigan State University drama group.

The traveling Performing Arts Company will play at the Escanaba Area High School Auditorium on Monday, March 25, at 8 p.m.

Tickets are on sale at Gust Asp's for \$1.50 or the third portion of the Players de Noc season ticket may be used for admission.

Written in the late 1930's when we had just emerged by the "skin of our teeth" from the depression, it is song of optimism and hope for the human race.

Wilder focuses his play on the Antrobus family which contains, within its numbers, the dreamer-visionary-inventor, George Antrobus, who invented the wheel, the alphabet and multiplication tables; Mrs. Antrobus, and courageous, indomitable defender of the hearth and home; Gladys Antrobus, the daughter, and their son, who bears certain resemblances to Cain.

In the play, the Antrobuses endure an Ice Age, a great food and global war. Through each crisis and its potential for destroying the human race, the Antrobuses emerge stronger and triumphant.

The cast includes Peter Landry of Ironwood.

Dump Burning Dangers Noted

Municipal authorities and public health agencies in the Upper Peninsula are working to solve problems generated by the need to dispose of enormous quantities of solid wastes.

How much solid waste do we dispose of via the garbage can? Based upon national averages for the most common wastes encountered in municipal collection, and using 1960 federal census figures, it is estimated that about \$20,000,000 pounds of refuse are carried to the garbage can each year by men, women, and children in the Upper Peninsula.

According to Donald P. Veesser, sanitarian in the Northern Peninsula Office of the Michigan Department of Public Health, Escanaba, disposing of this much waste creates many problems from the standpoint of sanitation, aesthetics, and economy. Several communities have eliminated problems associated with open dumps by establishing sanitary landfills for solid waste disposal.

Unfortunately, many open dumps still exist and in some of them the unsafe practice of burning refuse continues. Public health agencies have been warning people about the dangers resulting from the practice of open burning of refuse in dumps in Michigan, Veesser said.

The burning of refuse is an event which enforces this warning and at the same time sets forth the problem in terms of dollars and cents. A resident in one of the small cities in Michigan directed to dump refuse on the fire burning at the site, had his eye put out by a piece of flying metal. He sued the municipality that operated the dump and received a \$12,500 judgment against the municipality.

The burning of refuse on open dumps is a practice which is outlawed by Act 87, Public Acts of 1965. The constant odor and smoke from a burning dump constitutes a nuisance to the community and contributes to the air pollution problem in the state, in addition to the hazards previously mentioned, Veesser added.

"It is obvious from the foregoing that the complete elimination of open burning of refuse will greatly benefit the community," he concluded.

Briefly Told

Chapter 58 of the Michigan State Employees Association will hold its spring quarter general meeting in the conference room of the State Office Building at 7:30 p.m. Monday, March 25.

Optimist Club will meet Wednesday at 12:15 in the Meeting Rooms of the Old Town Restaurant.

John Sundquist, mathematics instructor from Stephenson High School will be speaker at a meeting of the Math Club of the University of Wisconsin Center at Marinette at 6:30 p.m. Wednesday on "Permutations and Combinations."

The Recruiting Station reports that the Navy has changed its requirements for men to serve with their "SeaBee" battalions. Men who have not reached their 40th birthday meet the Navy's physical and professional standards may enlist for a period of 30 months active duty. Interested persons can contact Chief Covey at the Escanaba Navy Recruiting Station, telephone 786-3154.

Blast Scatters Eight-Ton Whale

FT. ROSS, Calif. (AP) — A 40-foot-long eight-ton whale was scattered in bits over a half square-mile of seashore and countryside.

The harpooned whale washed up on the northern California beach near a resort last Friday, and on Sunday 135 pounds of dynamite were planted in the decomposing mammal.

Flying blubber filled the air. A 300-pound chunk landed on fashionable Timber Cove Lodge. A 10-foot tail section was all that remained on the beach.

has a record of two convictions for assault and battery. He served 60 days in the Gogebic County Jail on an assault conviction on Aug. 13, 1949.

In 1938, Pearson was sentenced to San Quentin State Prison in California for assault with a deadly weapon. He was paroled in 1941 and discharged from parole in 1943.

FASHION FIRST was the appearance of Yugoslav creations at a London style show. Here, model wears a sheepskin jacket and a hat with leather miniskirt.

Retires After Setting Record For MSU Work

EAST LANSING (AP) — Raymond Pearson will retire Thursday from his post as a mechanical technician in the Michigan State University division of engineering research. Pearson, who first went to work at MSU at the age of 16 in 1919, will establish a new longevity record of 49 years and two months on the job, one he believes won't be broken. "They aren't hiring people that young anymore," Pearson explained.

Lenten is an old English word for "spring."

Traffic Projects: Memory Lane On List Under Study

Aspects of public safety, including an evaluation of the traffic dangers along Memory Lane, are under study by the city's Safety Committee and the Transportation Committee of the Chamber of Commerce.

City Manager George Harvey in a recent report to the City Council said the two committees have "been devoting much time to a study of the safety situation along Memory Lane."

"Recently, they have formulated a list of questions which will result in certain surveys being made to the State Highway Department and to the City to make this stretch of highway free of accidents in the future," he advised the Council.

The Transportation Committee of the Chamber of Commerce is headed by Jack Winters. The city's Safety Advisory Committee has James "Bud" Pryal as its chairman.

Another safety factor under consideration is the possibility of a recommendation of no left turns on Ludington St. where there are traffic lights.

"I proposed to the Safety Committee they give some study to the possibility of allowing right turns at intersections where traffic lights are installed, by the use of a red arrow on these particular lights," Harvey reported.

"The Committee has taken all of these matters under advisement and is working in conjunction with the State Highway Department on professional advice," Harvey concluded.

Speechcraft To Hold Graduation Session Monday

Speechcraft's seventh session was conducted by the Bay de Noc Toastmaster Club at the Community College last night, with Paul Horst, James Olson, Leroy Jacobsen, Ken Wicklander, Casimir Wojakowski, Gerald Bergeron and Pearl Royer participating. Toastmaster for the evening was John Stoll. Speechcraft instructors were Fred Fisher, William L. Miller and Dick Powell.

Student speeches were by Bob Lannan, Richard Richer, Carlton Mineau and James Higgins. Timer was Ernest Guenette. The program was evaluated by Don Seymour assisted by panels of members and students.

The last Speechcraft session will be held next Monday evening with certificates of graduation being presented by Bay de Noc Community College President Dr. Richard Rinehart.

Still Testing?

TROY, N.Y. (AP) — Take a test drive and see how you like it, Arthur H. Hoffman told a prospective buyer at his used car lot. The customer did, and never returned.

In the opinion of Counsel, interest is exempt from all present Federal income taxes.

MANISTIQUE

Petition To Ask 120-Day Delay In Rail Closing

The eastern Upper Peninsula Shippers Commission will petition the Interstate Commerce Commission for a 120-day extension of time on the closing of the Manistique & Lake Superior Railroad and abandonment of the Ann Arbor Railroad Ferry operation.

At a meeting Monday night with Paul Harkenen, economic development expert from UPICAP, the group discussed recommendations from Leonard B. Sims, traffic and transportation consultant of Williams-ton, Mich. Sims said he felt ICC examiner Louis L. Bartoo's Feb. 26 recommendation that the M&L railroad be closed was based on assumption and supposition of what the Soo Line Railroad would do if the M&L is allowed to close its operations in Manistique.

Bartoo recommended that the ferry and railroad lines be allowed to close due to loss of revenue since 1960.

The Shippers' Commission has until March 26 to reply to the recommendation.

No Plans

Harkenen said that he had talked to Wes Perron, Upper Peninsula regional traffic manager of the Soo Line, relative to any plans the Soo Line might have to take over the tracks. Perron advised that to his knowledge the Soo Line has no plans to take over the tracks.

Perron said he felt that the M&L Line would be terminated in 40 to 45 days. The petition for the 120-day extension would prolong this termination.

Harkenen said that the 120 days would give UPICAP and the shippers time to work out a realistic alternative to the problem.

In addition, the 120-days would allow the group to initiate contracts with Soo Line officials and ask them directly if they have any plans or interest in taking over the M&L tracks and equipment.

Meeting Sought

Robert Noe, city manager, discussed the feasibility of the city purchasing the tracks for city purposes. Harkenen said he had received a study of transportation difficulties in the Upper Peninsula published by the EBS Management Consultants, Washington, and that, perhaps, the asking price of the tracks might be too high.

Noe said it was his understanding that if the ICC order goes through the railroad would tear up the tracks and sell them as junk or for salvage value.

A meeting with Ann Arbor officials, who were in Manistique today, is being sought by representatives of the Shippers Commission and the city manager.

Children's Art On Display At PTA Meeting

Children of Lakeside and Central Schools will have their art work on display at 7:30 Thursday evening for the monthly meeting of Lakeside-Central PTA at Lakeside School.

Refreshments will be served by the Kindergarten mothers with Mrs. Edwin Demars, Mrs. Robert Weber and Mrs. Clyde Lynt as hostesses.

Church Events

Zion Lutheran

Charity Group will meet Wednesday at 2 p.m. at the home of Mrs. Walter Anderson, Thompson; Study leader is Mrs. Ed Gundersen.

Mission Circle

Mission Circle of Bethel Baptist Church will meet at 2 p.m. Wednesday at the home of Mrs. Anna Somervold, 112 S. Mackinaw.

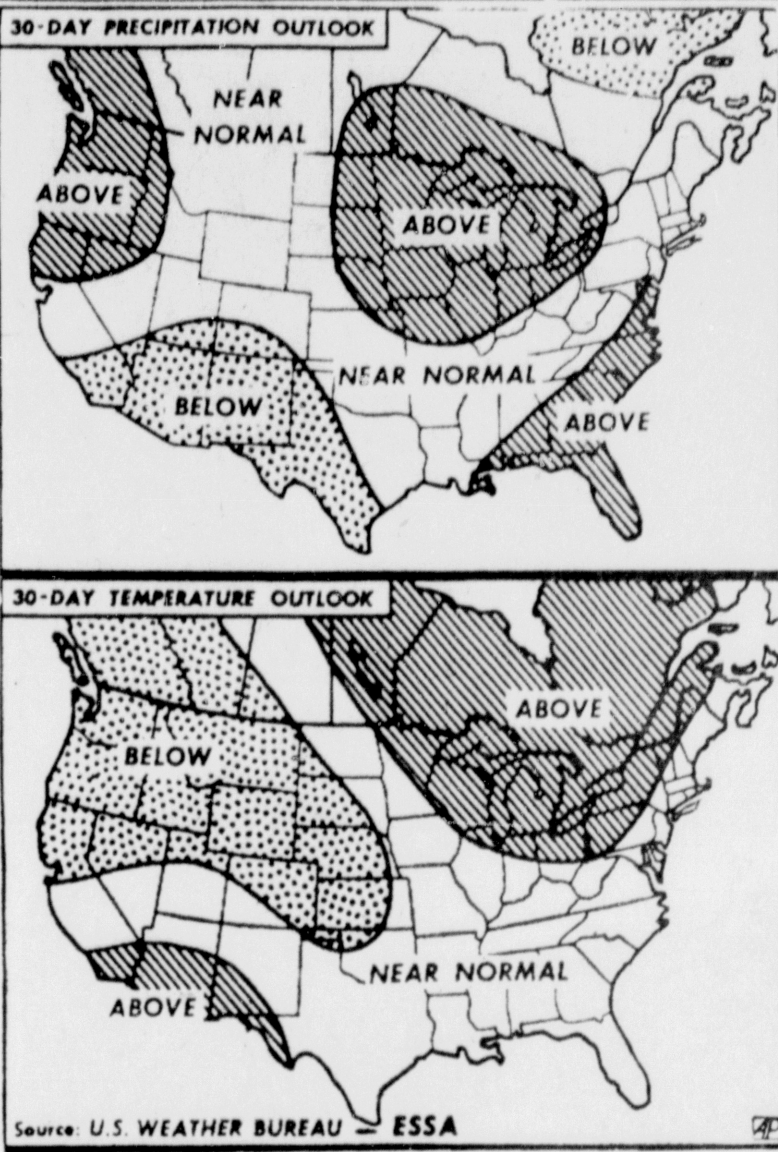

First Baptist

Maureen Fagan presented a piano solo assisted by her mother Mrs. Maurice Fagan at the 11 a.m. worship service Sunday. Mrs. Albert Schubing and Mr. and Mrs. Joseph Hockstad were welcomed into the church by Norman Andrews at the 11 a.m. worship class will be held Wednesday at 4 p.m. at the church. The deadline for donations of used clothing will be April 15. The sale will be held April 19 and 20, sponsored by the Effie Carington Circle. The clothing may be left in the session room entrance of the church.

Hospital

Admitted to Schoolcraft Memorial Hospital were: Kathy Smith, Marela Males, Pearl Whitman, Cecilia McGilvary, Gerald Johnson and Ed Ne-deau.

Discharged were: Evelyn Carrothers, Margaret Sprang and William Couillard.

MAP SHOWS the U. S. Weather Bureau forecast of precipitation and temperatures over the nation for the March 15 - April 15 period. (AP Wirephoto Map)

Hospital Grant

WASHINGTON (AP) — A federal grant of \$883,000 was awarded Monday to Grand View General Hospital in Ironwood, Mich., to construct a new 77-bed hospital. Total cost of the new facility is \$1,776,000. The grant was made by the Public Health Service.

Sgt. Conrad To Retire March 29

LANSING (AP) — Retirement of the Manistique State Police post commander and transfer of three other officers was announced Monday by Col. Frederick E. Davids, department director.

Sgt. Lucien D. Conrad, Manistique commander for the past two years will retire March 29 after completing more than 25 years of service.

Transfers include: Detective Staff Sgt. Orville W. Rouse from the fire marshal division at Detroit to the arson section at East Lansing headquarters; Tpr. George E. Corwin from the East Lansing post to Mount Pleasant; Tpr. Conny C. Snyder from Mount Pleasant to the East Lansing post.

Curran's 2nd In Tournament

Curran's of Manistique rolled a 3032 to move into second place in the sixth week of the U. P. Elks Bowling Tournament at the Elks Lodge in Manistique. Marquette Abstract is in first place with a 3037 and J and H Electric of Marquette is in third place with 3022.

Gordon Denny and Don MacPhail of Manistique are in third place for doubles with a 1265. M. Bodenus and D. McLaughlin of Marquette hold the lead with a 1287, followed by G. Malvasio and J. DeMarinis, also of Marquette, with a 1285.

Del O'Brien of Manistique is holding second with a 1949 in the All-Events. G. Malvasio of Marquette leads with 1955 and R. Luoma of Marquette is third with a 1933.

Briefly Told

An Irish Stew supper at 7 will precede the Wednesday night election of officers and meeting of Elks. Past Exalted Rulers night will also be observed. Elks are urged to bring their 365 banks to the meeting.

Two films will be shown at 7:30 p.m. Wednesday at the weekly Senior Citizens presentation at the center. They are "Year of Disaster," a story of urban water pollution, and "Wonderful World of San Francisco" featuring Tony Bennett.

The hot lunch menu for Wednesday at St. Francis will be: Tuna casserole, whipped sweet potatoes, and fruit salad.

The hot lunch menu for Wednesday at Fairview, Central, Doyle, and Hiawatha schools will be Baked luncheon meat, oven browned potatoes, buttered peas, homemade cake, and orange juice.

Demolay "Buddy Night" has been canceled until Tuesday, March 19.

Daily Rummage Sale sponsored by St. Jude Circle in the garage of Mrs. William A. Norton, 121 S. 2nd St.

Presented as a public service every week by

Everybody knows the best health care protection is Blue Cross-Blue Shield...right? — Right

Everybody knows you've got to work for a big company to be able to get it...right? — Wrong

Now, even if you work for yourself or for an employer with no health protection, you can have positive protection against hospital and doctor bills along with your friends who belong to Blue Cross-Blue Shield group plans!

Anyone under 65 can join. The coupon below is your official application. You pay no enrollment fee. You need no physical examination. You need never worry about being cancelled because of old age or poor health.

Protection begins immediately for accidents or health conditions which occur after contracts are in effect. All 2-person and family contracts have maternity coverage when in effect 270 consecutive days.

Even your unmarried dependent children up to age 26 can be enrolled through the special "F" Rider coverage.

So don't delay. Complete and send in your application today. It takes only a minute to get a lifetime of the best health-care protection available.

Anyone Can Join

Here's how: If you're under 65 just fill out the application below and send to:

Michigan Blue Cross and Blue Shield
441 E. Jefferson, Detroit, Michigan 48226

Blue Cross

will cover up to \$20 a day for room, board and general nursing care for 120 days in participating hospitals, plus full coverage of necessary services like: operating room, drugs, dressings, casts, oxygen and physical therapy.

Blue Shield

will pay for 120 days of doctors' in-hospital medical care, plus surgery, X-rays, anesthesia, diagnostic laboratory services, emergency first aid, obstetrical care and radiation therapy, wherever provided (inpatient, outpatient or doctor's office).

If you're almost 65 or older, contact your nearest Blue Cross-Blue Shield office for full information on Blue Cross and Blue Shield 65, coverage designed to fill in where Medicare benefits stop.

Monthly Non-Group Rates (Under Age 65)

Choose Plan A, B, C or D according to your income. (Choose the plan that best fits the total annual income of the principal contributor to family support.)

	A	B	C or D
One Person	\$10.61	\$11.11	\$11.61
Two Persons	23.54	24.80	26.06
Family	24.84	26.47	28.08
"F" Rider	6.08	6.48	6.86

"F" Rider

Dependent young adults, ages 19 through 25, may be covered on your contract by adding an "F" Rider for each such dependent. To be eligible for "F" Rider coverage, dependents must be unmarried, legally residing with you, dependent on you for more than half their support and reported as such on your most recent income tax return. The low rate for each "F" Rider dependent is added to the subscription rate for the coverage you select.

IT'S CASH HERE - - and IT'S CASH THERE

That's one of the good things about a Bank Money Order — it's just as acceptable in New York, San Francisco or Springfield as it is right here in our home town.

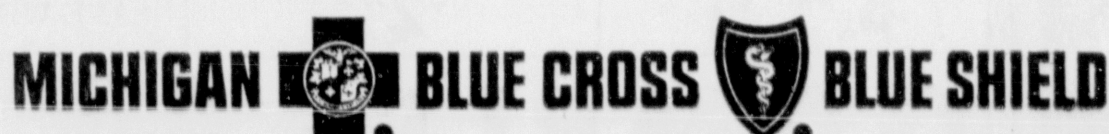

It's just as good as cash—but it's safer and more convenient.

When you need to send cash, use a Bank Money Order.

First Methodist WSCS Circles Meet This Week

Circles of the Woman's Society of Christian Service of the First Methodist Church have announced their meeting dates as follows:

The Miriam-Abigail Circle will meet at the church, attending the Lenten services for their devotions on Wednesday, March 20, at 8 p.m. Hostess will be Mrs. Robert Jensen and Mrs. Lowell Hebbard.

The Melody Circle meets at the home of Mrs. Alvin Ness, 1410 S. 18th Ave. on Thursday, March 21, at 2 p.m. Devotions will be in charge of Mrs. Charles Hammar with Mrs. Frederic Welch, program chairman.

The Faith Circle will meet in the church lounge on Thursday, March 20, at 2 p.m. with Mrs. Ray Shaw, hostess. She will be assisted by Mrs. John Nicholas. Mrs. Harvey Germanson will lead the devotions with Miss Lara Brown in charge of the program.

Members are reminded to turn in their stamp books at the meeting.

Future activities include a rummage sale, April 19, with Mrs. Donald Ness, chairman; the annual Spring Tea, May 11, with Miriam-Abigail Circle in charge of the program and Faith and Melody Circles in charge of the tea arrangements.

ENTER IN THE 1968 Miss Delta County Pageant, sponsored by the Escanaba Jaycees, is Miss Linda Susan Beaudoin, daughter of Mr. and Mrs. Camille Beaudoin of 311 S. 17th St. Miss Beaudoin is 20 years old and a graduate of the Garfield Township School, Engadine. She is 5' 3", weighs 112 pounds and has brown hair. (Delta Studio)

Women Mob Store For Shoe Bargains

OAK PARK (AP) — About 500 bargain-hunting women stormed into the community center of this Detroit suburb Friday to grab up 1,100 pairs of shoes, some worth as much as \$35, being sold by the city for \$2.50 a pair.

"When they opened the doors, it was like gangbusters," said Gary S. Schuster, a reporter for the Royal Oak Tribune. "I was punched in the kidneys, kicked in the ankles and slapped a couple of times in the chest with purses as I tried to get in."

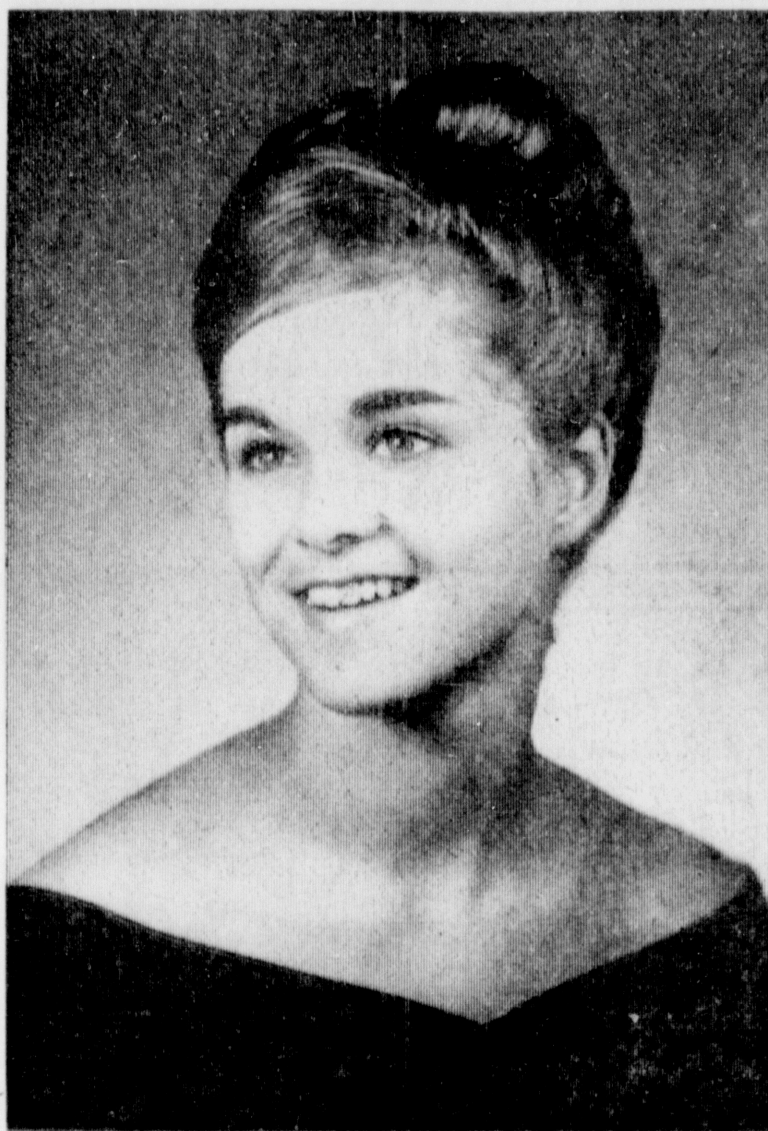

The shoes were seized by the city from a store that owed back taxes and went out of business. After trying unsuccessfully to sell the entire lot to a wholesaler, the city held the public sale.

One woman was in such a hurry to grab what she could she tried on two pairs at the same time, an orange shoe on one foot and a yellow one on the other.

"Hey Mable," shouted another shopper, holding up a black patent leather pump. "Here's a size eight. How do you like it?"

"A size eight won't fit me," replied hefty Mable. "I need a 10½. See if you can find me one with buckles on it."

One woman was seen with five boxes under one arm, trying to load more shoes onto her other arm.

MISS JEAN LOUISE KILLMAR, daughter of Mr. and Mrs. Kenneth Killmar of 1514 S. 13th St. is one of the 10 contestants entered in the annual Miss Delta County Pageant to be held this year at the William Oliver Memorial Auditorium, Saturday, March 23. Miss Killmar is 17 years old and a senior at Escanaba High School. She is 5' 5" tall, weighs 110 pounds, has blond hair and blue eyes. (Delta Studio)

Scout Troops Present Program At Lemmer PTA

The Lemmer PTA met Monday evening at the school with Mrs. Arthur Anderson, president, presiding.

During the business meeting Mrs. Robert Selberg, safety committee chairman, requested pins for the safety patrol members and this was granted. Also \$100 from the treasury will be used to purchase physical fitness equipment. A committee will be formed to select the equipment.

Mrs. Don Meteor, who is in charge of all girl scouts in the Lemmer School area, presented a program in honor of National Girl Scout Week.

Participating were Girl Scout Troop 83, conducting the opening flag ceremony; Brownie Troop 21, a skit; Brownie Troop 11, songs; Brownie Troop 36, a dance; Brownie Troop 50, a son and Girl Scout Troop 23, closing ceremony.

Arthur Brien spoke on the upcoming college millage and Mrs. Shirley Larson told of the varied uses of the new recreation facility.

Miss Bramer's third grade room won the room count and the mothers of the combined second grades served lunch. The next meeting will be April 22 instead of April 16 as previously scheduled. Fathers attending this meeting will count two points in the room count.

A teaspoon of flavored gelatin dissolved in a cup of water is what co-eds at a Maine university use for a hair-setting rinse. Reasoning that flavored gelatin is about seven-eighths sugar, South Carolina co-eds use it straight. It won't make their strawberry blondes, nor even tomato-red heads, but a sugar-water rinse will add body to hair, provide smooth-combing sets, and shampoo-out easily.

Rapid River

Rummage Sale

The Women's Fellowship of the Rapid River Congregational Church is having a rummage sale from 10 a.m. to 5 p.m., Saturday, March 23 at the church. Lunch will be served and a bake sale will be offered by the Pilgrim Fellowship ladies to help their camp fund.

Exercise ... (but take it easy)

Exercise is the modern substitute for the work our bodies were created to do. In these days of automobiles, soft foods, heated houses and television viewing our physical fitness has been weighed and found wanting. The need for exercise is both real and necessary to our physical well-being. Exercise (unless overly strenuous) strengthens the heart, increases circulation and aids both appetite and digestion.

The need for exercise is greater today than ever before, however, it is unwise to attempt to cram a full month's exercise into one or two days. To gain the most from exercise you must plan a daily schedule and stick to it. In turn, you benefit in physical toning and strengthening.

If your schedule is tight, have your doctor phone your next prescription to GROOS DRUG STORE, 1007 Ludington St. Phone ST 6-3552.

Prescription Delivery ... Family Record Tax Plan ... Wheel Chairs and Crutches for sale or rent.

Ever try French fried sandwiches? Choose a filling that combines meat with cheese, like ham and swiss; dip the whole sandwich in beaten egg and saute slowly in butter.

Duo Romero Delight Area Concert Goers

There are actually four Romeros, that play the guitar and play it well. Of father Celestino we heard nothing; of brother Angel we heard one number, beautifully done; but of Celin and Pepe, ah, that is a different matter.

The Duo Romero, appearing in a Community Concert last evening at the William Oliver Memorial Auditorium, gave this area something seldom heard, rare evening of classic and romantic guitar.

Set The Stage

There are Vivaldi and Scarlatti, sounding so much like the harpsichord, then Bach and an Etude by Villa Lobis. But the Intermezzo by Grandos, from his opera Goyescas, written in 1916 just prior to his untimely death, set the stage for the romantic music to follow.

The Flamenco group gave Pepe a chance to demonstrate his versatility and he lost no time in doing so. Warm, vibrant tone, gay, wild rhythms and virtuosity of the instrument came into being in these

native Spanish dances. When the final encore came, Celin, called upon Angel, the youngest brother, who was in the audience with his father, and he and Pepe completed a delightful evening with a Divertimento by Fernando Sor.

Standing Ovation

The large audience gave the Duo Romero a standing ovation. The four Romeros had appeared Sunday evening with the Milwaukee Symphony Orchestra.

This was the fourth in a series of five Community Concerts to be presented this season. The final concert, featuring famed organist, Dick Liebert, will be held on Thursday, April 18.

AROL E. BECK

Altar Society Meets Wednesday

St. Joseph's Altar Society will meet Wednesday at 8 p.m. at the parish hall. Mrs. Herbert LeGault and Mrs. Henry Buno are co-chairmen of the social.

They will be assisted by the following Mesdames, Edward Berrigan, Thorold Papineau, Matt Lewis, Nellie Wosnik, W. J. Eis, L.W. Buckley, Alex Mator and William Hermes.

What every properly-dressed sweet souffle dish should have is a good sugar coating. After buttering the sides and bottom of the baking container, spoon in sugar. Turn the dish until surface is evenly covered. Then, shake out any non-clinging grains. The coating discourages sticking, letting the delicate souffle rise to its greatest height.

Men Outshine Ladies At Gala Charity Ball

NEW YORK (AP) — Princess along with some 400 New York Margaret and her husband, socialites and theatrical person-Lord Snowdon, dined, danced alities who gathered to honor and made merry Friday night the royal couple and raise some

money for charity.

The men almost outshined the women in the fashion department among the guests who danced to the music of Peter Duchin's orchestra, supped on salmon and steak and were entertained by a group of performers including Jack Cassidy and Shirley Jones, Dionne Warwick, Lisa Kirk and Tony Randall.

Jeweled Medallions

Actor Richard Harris, one of those performing, was in a red velvet jacket. Several men replaced dress shirts and black bow ties with turtlenecks and necklaces adorned with jeweled medallions. And actor George Grizzard stepped out on the dance floor in a blue uniform with red epaulettes which even he was hard put to describe.

"I guess you could say it's a uniform," he said. "Doug Fairbanks was staring at it. I think

he thought he wore it in 'gunga din'."

Socialite Susan Stein, Grizzard's date, matched her escort's fine feathers by sporting a red, white and blue striped silk crepe formal and huge red, white and blue earrings by jewelry designer Kenneth Lane. "They're kind of like the shields of the African Masai warriors," said Miss Stein of the earrings.

One Miniskirt

Most of the women wore floor-length gowns. Only one miniskirt was spotted—the white organdy froth of pop art collector Ethel Skull.

Princess Margaret, in a long, white lace gown with jeweled collar, and Snowdon, in a midnight blue tuxedo and white turtleneck, arrived shortly after 9 p.m., posed briefly for photographers, then went in to greet the other guests and enjoy themselves until the wee hours of the morning.

The party, billed as "A Gala Evening of Musical Theater," was held in the Rainbow Room, atop the RCA Building overlooking midtown Manhattan. The proceeds of the \$125-per-person soiree went to the New York Association for Brain Injured Children.

Bridge

Results of the Elks Duplicate Bridge League play last Saturday at the Elks Club. 1, Jean Bonfield and Cal Douck; 2, Mrs. Chet Morton and Mrs. John Boyle; 3, Mr. and Mrs. Robert Pearson Sr.; 4, Robert Pearson Jr. and Ken Dufresne; 5, Mrs. Robert Pearson Jr. and Mrs. Ken Dufresne; 6, Mr. and Mrs. Fred Swank. The next session will be announced later.

Ever notice how easy it is to wash bowls and pans used for sugared foods? It is one of sugar's talents to dissolve quickly in liquid, hot or cold. Speed in washing-up, of course, depends on other ingredients involved. But even a boiled sugar solution (table syrup, preserves, white icings, or caramel candy) soaks out in almost no time.

Peninsula Has Five Teams In Contention For Tourney Berths

The dust of the regional basketball tournaments has cleared and five Upper Peninsula prep teams remain as play resumes in the quarter-final rounds of the state basketball tournament Wednesday night around the state.

Defending state champion in Class B ranks, Menominee will take a two-year 27-0 record and a number one ranking into a quarter-final match with number seven rated St. Louis.

The St. Louis starting five averages 6 feet 4 inches in height and has two men in the frontcourt who stand at 6 feet 6 inches. St. Louis, carrying a 20-1 season record topped Whitehall and Tawas Area in the regional tournament at Mt. Pleasant this past weekend. Menominee's hopes rest on the shoulders of 6 foot 3 inch center Pat Miller, the Maroons shooting and rebounding ace, and Dave Haglund, a 5 foot 9 inch guard.

In Class C action at Cheboygan High School, Wakefield will take to the court against another Upper Peninsula representative, St. Ignace. Both teams were unrated in the poll. Wakefield upended Stambaugh 70-55 in regional action.

Redskin Fans Welcome Team Upon Return

The Class D Region 26 champion Hermansville Redskin basketball team was met by a string of 100 cars led by the Hermansville Volunteer Fire Department truck at the Powers Weigh Station at 4:30 Saturday afternoon.

The procession then proceeded to Hermansville where they paraded through the streets. A general program was held in the Community Club presided over by Board of Education president Lester Johnson. Coach Don Hill responded.

On Monday a general assembly was held in the Community Club for the students of the Hermansville High School.

The Redskins left at 12:30 today, in private cars for St. Ignace. They will practice in the St. Ignace gym today at approximately 5 p.m. The team is headquartered at the Collins Motel in St. Ignace.

Two bus loads of students will leave Hermansville tomorrow afternoon at 12:30 for St. Ignace. School will be dismissed at noon.

Grid Players To Seek Raise

CHICAGO (AP) — A minimum salary, pay for exhibition games and a sizeable contribution to the pension fund will be sought by the National Football League's Player Association Tuesday.

John Gordy, president of the NFLPA, will meet with representatives of the National Football League headed by Art Modell, owner of the Cleveland Browns and NFL president.

Joining Modell will be Wellington Mara of the New York Giants, Rankin Smith of the Atlanta Falcons and Vince Lombardi of Green Bay.

Modell said he expects player representatives of all 16 clubs to attend the meeting in the federal building. "I have no idea of what is going to happen," said Modell. "We are just playing it by ear."

to include a \$15,000 minimum salary, \$500 a game for exhibitions and an annual \$5 million contribution to the player pension fund.

LITTLE But Do A BIG Job

Semi-final games will be played in high schools in the Lansing area and the finals will be held at Michigan State's Jenison Fieldhouse beginning with the Class B game at 11:30 Saturday morning.

Mikita Keeps Scoring Lead

NEW YORK (AP) — Chicago's Stan Mikita went scoreless in two games last week but still clung to his National Hockey League scoring lead, the league office announced today.

While Mikita's total remained at 38 goals and 41 assists for 79 points, New York's Jean Ratelle could manage only one goal in three games and Boston's Phil Esposito a goal and an assist in three contests.

That left them tied at 76 points, one ahead of Chicago's Bobby Hull and New York's Rod Gilbert, who are tied for fourth. Another point back is Detroit's Gordie Howe, two weeks shy of his 40th birthday.

Hull banged home two goals last week, giving him 44 for the season. He has six games left in which to reach the 50-goal mark for the fourth time. His league record of 54 seems out of reach.

BASKETBALL COACHES Bill Howes, center, of Escanaba High School and John Butrymowicz, right, of Holy Name High School discuss the 1967-68 basketball season with Daily Press Sports Editor Mike Utt at an Escanaba Kiwanis Club luncheon meeting yesterday. (Daily Press Photo)

City Coaches Discuss Basketball Year 67-68

"Wait till next year," has been a familiar statement around the sporting world for many years, but it seems to have to have some real significance when describing the basketball future of Escanaba's two fine high schools.

Head basketball coach and athletic director John Butrymowicz of Holy Name, and Bill Howes, cage mentor at the Escanaba Area Public School, reviewed their basketball fortunes for the 1967-68 season to the Escanaba Kiwanis. Both had seasons which would have had lesser men hitting the ulcer medicine, dropping games by the narrowest of margins throughout the year, but both have a very rosy future looking ahead.

In the case of Coach Howes, there will be nine of the varsity eleven returning this coming season, and to fill the vacancies made by graduation, he will have the pick from a jayvee squad that dropped only two of sixteen games.

Howes stated that his team played well enough to have won many more games, and that the players were a hard-nosed bunch that gave 100 per cent in all games. A few inopportune fouls cost them some games, especially the Marquette game which would have given them the district Class A crown.

Coach Butrymowicz also related that the crucial foul line was the big factor in most of the Holy Name losses. He stated that he was especially pleased at the way his boys closed out the season, winning their last three games, and the first game in district action. The Class B district title game in which the Manistique Emeralds nosed out the Crusaders, could have been a Holy Name victory, except that an inability to hit in the closing seconds made the difference.

The Crusaders too will have a good nucleus upon which to build as seven of the varsity ten will return to the hard court. The jayvee team will undoubtedly fill the gap very capably, as they fashioned eleven wins against eight losses, Butrymowicz said.

The extension of the football season has had direct bearing on the basketball picture, he stated, as any boy who is competing in football, has only a couple of weeks to round into shape for basketball. This year, the Holy Name schedule has been altered, and the Crusaders will not play their first game until December 6.

In answer to questions from the floor, both coaches felt that the Upper Peninsula teams were as good as, or better than the teams which play in the Lower Peninsula, until you tap the sources of the metropolitan area, where a greater number of boys naturally enhances your chances for a winning team. Both coaches also favored the Class system in tournament action, stating that this gives more players and fans, a chance for a State title.

Kalamazoo Man Tops Keg Event
CINCINNATI (AP)—Tony Cicco of Kalamazoo totaled a 1,923 Monday to continue his domination of the regular all events standings in the American Bowling Congress tournament.

Right behind him were Ray Redmer of Lincoln Park, second with a 1,911 and Bob Hitt of Livonia, third with 1,901. Hal Jolley of Detroit was tied for fifth with a 1,894, while Robert Chamberlain of Union Lake was eighth with a 1,890.

"Last week they made fun of us," said Eleanore Webster, the 6-foot-5 tallest starter who hit 51 points against Marshall and 29 against Duke, including 21 in the first half that ended with the Peacocks ahead 50-29.

"No one knew where St. Peter's was—now they know."

Great Lakes Picks Honor Cage Squad

Great Lakes Conference champion Ishpeming placed three men on the All-Conference team announced today.

Selected to the first team were Gladstone's Steve Nelson, Bill Bath of Negaunee, Larry Ruffato of Marquette, Ed Stumac of Ishpeming and Gary Sample of Manistique.

Those elected to the second team were Mike Nettleton, Munising; Tom Hammar, Ishpeming; Jud Howson, Sault Ste. Marie; George Granlin, Negaunee and Mark Stupak, Gladstone.

Larry McTiver, Newberry; Tom Simula, Ishpeming; Dennis Dahlman, Soo; John Anderson, Marquette; Larry Roberts, Manistique and Jim Davey, Negaunee received honorable mention.

Football Clinic Dates Announced

Escanaba will host the Fifth Annual Football Coaches Clinic which will be held Friday and Saturday, April 5 and 6 at the Terrace Motel and Supper Club. Sponsors of the clinic are the football coaches from Escanaba Senior High School and Holy Name High School and the Badger Sporting Goods of Madison, Wisconsin.

Speakers for the event, kicking off at 7:30 Friday night, will be Harland Carl, Offensive Backfield Coach at the University of Wisconsin; Roger French, Defensive End - Linebacker Coach at the University of Wisconsin; Carl Reese, Defensive Backfield Coach at Northern Mich. University and George Gusick, Head Football Coach at Iron Mountain High School.

A registration fee of \$6 per person will be charged, payable at the door. The fee will cover all lectures, a Friday night party, door prize drawings and a Saturday noon buffet.

Jerry Cvensgon, Head Football Coach at Escanaba High School, will act as clinic director.

Spartans Start Spring Training

MIAMI, Fla. (AP) — Michigan State unleashed a powerful 11-hit attack, including a two-run homer by catcher Harry Kendrick, as the Spartans opened up their spring baseball training in Florida Monday by defeating Ohio State, 9-4.

Second baseman Bill Campbell, a sophomore from Midland, celebrated his first appearance for Michigan State with three singles in as many times at bat, scoring two runs.

Michigan State scored three times in the second inning and two each in the fourth, sixth and ninth.

Other Spartan bat power included a triple by Tom Binkowski and two doubles by Tom Hummel. Mel Behney, the winning pitcher, struck out 12 and walked two.

Orioles Have Pennant Wrapped Up If Spring Season Is Indication

By The Associated Press
If a bad spring means a good season, the Baltimore Orioles have the American League pennant wrapped up.

The Orioles haven't exactly been teeing the Grapefruit League apart in the opening phases of the baseball exhibition season, but at least they haven't been afraid to get up in the morning. Until today.

Monday, the club made a routine flight from Miami Fla., to Sarasota, Fla., for a game with the Chicago White Sox. At least it was as routine as a flight can be after the pilot announces that an engine has been shut off.

Conversations was at an understandable minimum until the plane landed and, of course, the Orioles proceeded to get beaten by the White Sox 5-1. Their record now is 3-5.

In other games, Pittsburgh beat Detroit 7-2, Cincinnati took

the New York Mets 5-2, Houston beat Oakland 6-4 in 11 innings. St. Louis overcame Philadelphia 8-7 and the New York Yankees lost 5-3 to the Mexico City Reds in Mexico.

The game at Sarasota had barely begun when Pete Ward hit a three-run home to the White Sox and Francisco Calos shut out the Orioles to five innings as a precautionary measure. Which is the kind of a day the Bids had.

Matty Alou dove in three runs with singles to the P-ates, bailing his sping taining batting average to .400 and his RBI total to 11. Bob Veale woked five innings of three-hit ball for the Bucs.

Hal MaRae had a two-run home to the Reds in their victory over the Mets, but second baseman Tommy Helms, spiked by Ron Swoboda in the fourth

inning, may be lost for a week. The Mets now have lost six in a row.

Doug Rader's double with two out in the 11th drove in Houston's winning runs. The Astros collected 15 hits off four Oakland pitchers while the Athletics had seven hits, three for extra bases.

Philadelphia took a seven-run lead over St. Louis, but the Cards scored twice in the eighth and six unearned runs in the ninth to win. Johnny Briggs had a three-run homep[un]g6 Phils. Six of the Philies runs also were unearned.

The Yanks got a pair of homers—from Andy Kosco and Frank Fernandez—and seven innings of eight-hit pitching from Jim Bouton, but errors and timely Mexico City hitting proved to be their downfall. The Yankees have three more games south of the border.

Lions Go Hollywood In Movie Of Plimpton Book

BOCA RATON, Fla. (AP) — The Detroit Lions, stars of radio and television for several years, have gone Hollywood, and the National Football League may never full recover.

Coach Joe Schmidt and his bruising band of NFL warriors are helping turn George Plimpton's book, "Paper Lion," into a motion picture at the St. Andrew's School for Boys at Boca Raton, 45 miles north of Miami.

The story loosely follows Plimpton's experiences as an amateur trying to learn what it's like to play quarterback on a professional football team. Plimpton spent the 1963 training in camp with the Lions when George Wilson was coach and Schmidt a star linebacker.

"I don't think John Wayne has anything to worry about," says Schmidt, who plays himself.

Schmidt, guard John Gordy, halfback Tommy Watkins and linebacker Wayne Walker are the only Lions who were around when Plimpton was with the team in 1963. All but Walker are among 30 players appearing in the film.

Walker was unable to participate because of a commitment to take part in a tour of American military bases in Vietnam.

Alex Karras, suspended during the 1963 season because of a gambling scandal, and Gordy are what teammates describe as the "stars over Hollywood."

Defensive tackle Roger Brown, now with the Los Angeles Rams, was recalled for a key role. He was the player who made the famous tackle of Plimpton during an intrasquad scrimmage.

On the set 10 to 12 hours a day, the players spend most of their off-camera time sunbathing, playing cards or clowning around.

"Look at these fat cats around here," said Schmidt, obviously thinking of the 1968 NFL season. "Wait until they get in training camp next July. They'll wish they were in Hollywood."

Karras and Gordy have major speaking roles in the film, along with Schmidt and professional actors Alan Alda and Luren Hutton, who play Plimpton and his girlfriend.

"Who knows where this might lead?" kidded Gordy, now president of the NFL Players Association.

"Probably the late, late show," added Karras.

The film has a script but Director Alex March prefers adlibbing scenes involving players.

"We have some scenes involving scrimmages," said Gordy, "but none of the guys really hit hard. It's just not the same."

Actor Alda, who suffered a minor shoulder injury during one such scene, may not entirely agree.

Quarterback Karl Sweetan, who helped Alda with his passing, was among several players sporting long, curly Hollywood style haircuts.

End Ron Kramer wore angle iron sideburns down to his cheek bones.

The film, being produced by Stuart Millar Productions, includes actual game movies from the Lions' 21-7 victory over the St. Louis Cardinals in an exhibition game last fall. The production schedule calls for completion by April 5.

It will be released in October but details are incomplete.

"I hope we play our last five games in the South, out of snow-ball range," said Schmidt, who replaced Harry Gilmer as coach of the Lions last year.

EARL McCULLOUGH, University of Southern California football and track star, chats with Detroit Lion general manager Russ Thomas during the NCAA track and field championships in Detroit last weekend. McCullough is a Detroit Lions draft choice but has indicated he does not want to turn pro until after the Olympic games in Mexico next October. (AP Wirephoto)

Walker Heroics Unlock Deadlock For Playoffs

By The Associated Press

Jimmy Walker unlocked the Eastern Division tie for the final playoff spot in the National Basketball Association with some key points, but the battle still rages.

Walker, rookie backcourt ace from Providence, fired in eight points in the final quarter Monday night as the Detroit Pistons squeaked past Seattle 88-82. The victory on the West Coast sent the Pistons one-half game ahead of idle Cincinnati in the battle for fourth place.

In other NBA action Monday, Philadelphia, with Wilt Chamberlain pouring in 53 points, clobbered Los Angeles 158-128 at home and New York tripped the Warriors at San Francisco 123-118.

In the American Basketball Association, New Jersey trimmed Houston 113-103, Pittsburgh slammed Anaheim 135-118 and Denver topped New Orleans 108-101.

Dave Bing also contributed 10 of his 16 points in the Pistons' low-scoring victory, marred by turnovers and highlighted by great defensive play. Walker finished with 21 points while

Walt Hazzard topped the Super-Sonics with 22.

Detroit has only one game remaining—Wednesday night at Boston—while Cincinnati plays at Philadelphia tonight and in New York Wednesday. If the two clubs are tied after the season ends, a playoff for the remaining spot would be played Friday in Detroit.

Chamberlain, in one of his finest games this season, added 32 rebounds and handed out 14 assists. The 7-foot-1 center connected on 24 of 29 shots from the field as the Eastern Division champs, warming up for the coming playoffs, shot a sizzling 57.1 per cent.

Hal Greer added 32 points for the 76ers. Mel Counts topped Los Angeles with 26 points.

A three-point play by Bill Bradley put the Knicks on top to stay at 34-31 in the second quarter and Cazzie Russell's 13 points in the same quarter pushed New York's lead to 68-59 at halftime.

San Francisco, which ended its season, did get within four points of New York with a minute left but never had the ball again.

Tigers Push For Higher Finish Than '67 Season

LAKELAND, Fla. (AP) — Detroit hasn't won a pennant since Steve O'Neill's World War II club in 1945, but it never will come much closer than last year.

Mayo Smith has been tormented all winter by the memory of that final Sunday in October when he still had a chance to tie Boston until the late innings of the second game of a doubleheader with the California Angels.

"I thought 92 would win it last year and it did," said Smith whose first Tiger team wound up with a 91-71 record in a second-place tie with Minnesota. "I think 92 will win it again."

A breakdown in the bullpen is blamed for the Tigers' failure to win it all last season.

"Our bullpen wasn't that bad," said Smith. "Everything that happened in the last two days was magnified. Fred Gladding, Mike Marshall and Fred Lasher all did a job for us, but we never had one guy who could do it day after day."

Gladding is gone now, the price the Tigers had to pay to get Eddie Mathews from the Houston Astros last summer. Dennis Ribant has been acquired from Pittsburgh in a deal for Dave Wickersham.

"My four starters are Earl Wilson, Joe Sparman, Denny McLain and Mickey Lolich," said Smith. "John Hiller will relieve and do spot starting."

Smith's bullpen consists of Marshall, Lasher and Pat Dobson from last year, plus Ribant and hopefully some rookies. He is taking a long look at Tom Timmerman, a 7-6 performer on the Toledo farm, and Les Cain, a 20-year-old left who was 11-13 at Montgomery in the Southern League. The veteran Hank Aguirre is a questionable factor.

Despite the 22 wins by Wilson, 17 by McLain, 16 by Sparman and 14 by Lolich, the staff was seventh in the league. Pinch hitters batted only .153, and the Tigers left more men on base, 1,211, than anybody in the league.

Smith has been running a competition for first base between Norm Cash, whose average sagged to .242 last season,

and 36-year-old Mathews who moved to first from third last year. Dick McAuliffe, .239 last year, and Don Wert, who batted .257 in 1967, are set at second and third.

Shortstop belongs to weak-hitting Ray Oyler, .207. Dick Trucce and rookie Tom Matchick probably will be the back-up men. Jerry Lumpe has retired.

Willie Horton, taking it easy after a post season leg operation, is counted upon to handle left field. Jim Northrup returns to center and old reliable Al Kaline, still hoping to make a World Series before he quits, is in right. Mickey Stanley and Gates Brown are the extra outfielders.

With big Bill Freehan catching 155 games and challenging for the Most Valuable Player award, there is no great need for secondary catching. Jim Price will be used to rest Freehan.

The Tigers have not been dazzling the critics in Florida, but Smith knows he must take it easy with his front liners who must play every day once the bell rings.

Workers Reject Kelvinator Pact

DETROIT (AP)—Production workers at American Motors Corp.'s Kelvinator Appliance Division in Grand Rapids rejected Monday a new contract proposal, raising the chances of a strike on Wednesday.

However, skilled workers voted to accept the company's offer made near midnight Friday, when negotiations in Detroit broke off between the United Auto Workers Union and AMC without agreement on the Kelvinator division.

The UAW and AMC did reach tentative agreement last week on a national contract covering 14,500 auto plant employees in Kenosha, Wis., and Milwaukee, Wis. A ratification vote is being taken on it this week.

The executive board of UAW Local 206 in Grand Rapids was scheduled to meet this morning to decide whether the split vote automatically calls for a strike. The UAW previously said if there is a strike it will begin Wednesday.

In its last offer Friday, AMC offered its 3,000 Kelvinator workers a 13-cent across-the-board hourly wage increase and an additional 20 cents for skilled workers.

The company proposed an additional eight-cent cost-of-living increase in October, with an option that Kelvinator employees could reopen talks on wage hikes at that time, for the second and last year of the contract.

Average hourly wage at Kelvinator under the former contract was \$2.90.

No vote totals were released by the union local.

The tentative pact for the auto employees calls for a 15 cent per hour pay hike for all workers and an additional 20 cents for skilled tradesmen, for the first year. The second year provides a three per cent or nine cent an hour hike, whichever is the greater.

In other developments Monday, the UAW said it would strike General Motors Corp.'s Chevrolet assembly plant at Flint, Mich., in five working days unless a local plant contract is reached.

Strikes continued at GM Chevrolet assembly plants in Doraville, Ga., Atlanta, Ga., and Framingham, Mass., over local plant agreements, which supplement the national pact reached last year.

In other developments Monday, the UAW said it would strike General Motors Corp.'s Chevrolet assembly plant at Flint, Mich., in five working days unless a local plant contract is reached.

Strikes continued at GM Chevrolet assembly plants in Doraville, Ga., Atlanta, Ga., and Framingham, Mass., over local plant agreements, which supplement the national pact reached last year.

Local 206 in Grand Rapids was scheduled to meet this morning to decide whether the split vote automatically calls for a strike. The UAW previously said if there is a strike it will begin Wednesday.

In its last offer Friday, AMC offered its 3,000 Kelvinator workers a 13-cent across-the-board hourly wage increase and an additional 20 cents for skilled workers.

The company proposed an additional eight-cent cost-of-living increase in October, with an option that Kelvinator employees could reopen talks on wage hikes at that time, for the second and last year of the contract.

Average hourly wage at Kelvinator under the former contract was \$2.90.

No vote totals were released by the union local.

The tentative pact for the auto employees calls for a 15 cent per hour pay hike for all workers and an additional 20 cents for skilled tradesmen, for the first year. The second year provides a three per cent or nine cent an hour hike, whichever is the greater.

GLADSTONE

Gerald Tang Is Honor Grad

Gerald D. Tang, Milwaukee, the son of Mr. and Mrs. Harold Tang of Gladstone, graduated with high honors on Jan. 23 from the University of Wisconsin in Milwaukee with a Bachelor's degree in business administration. His major is in industrial management.

He has accepted a management position with Wisconsin Bell Telephone Co. Milwaukee. Continuing his studies, he is enrolled in night classes in a master of business administration course at UW-M.

A native of Gladstone, Tang is married to the former Sandra Tordeur, daughter of Mr. and Mrs. Ray Tordeur. They have four sons. Mrs. Tang and the children will visit with her parents the first week of April while her husband is in Madison.

Covenant Lenten Service Today

A mid-week Lenten service will be conducted at the Evangelical Covenant Church of Gladstone at 7:30 p.m. today.

The second in a series entitled, "Cross-Examination" will be presented. Rev. Loren Anderson, pastor, will question "Peter" on the persons of the Passion story, who will be portrayed by Paul Smith. Special music will be provided by Miss Ruth Ann Martin, accompanied by Miss Christine Olson.

The pastor urges all church families to attend as the dramatic presentation will be of interest to the whole family. The public is also invited to attend.

Members of the Rastafarian cult in Jamaica believe that the Emperor Haile Selassie of Ethiopia is God incarnate.

Present Awards To Cub Pack 471

Cub Scout Pack 471 held their first regular Pack meeting at the old High School gym Saturday evening under the direction of Donald Pavlovski, cubmaster. Patches for the Red Buck District Scout Show of the previous year were awarded as well as Bob Cat Pine and Silver Arrows.

Receiving patches were Bruce Cassell, Jim Holm, Tom Toursignani, John LeGault, Bruce Collins, Greg Sundalius, Mark Pavlovski, Mike Bunno and Jeff Johnson.

Bob Cat pins went to Brian Holm, David Nivison, James Ratanen, Gery Stairs, Jerri Johnson, Mark Carlson, all of Den two; Mike Alworden, John Closs, Randy Johnson, Ricky Soderman, Peter Mineau, Bobby Madden, Rany Thivierge, Tim LaPlant, Mike Rudolph and Tom Seronko of Dens three and four.

Silver Arrows were awarded to John LeGault, Bruce Collins, Greg Sundalius, Jeff Johnson and Mike Bunno.

The next Pack meeting will be held April 27.

Restore 2 Lanes For U.S. 131

LANSING (AP)—State Rep. Robert Davis, R-St. Ignace, said Monday the State Highway Department had assured him two more lanes of U.S. 131 in Antrim County would be reopened to make it a four-lane route again.

In winter, the department closes off two lanes of the route on a stretch through Antrim County because the lanes are lower than the other two and snow removal is difficult.

The stretch has been called a "death trap," according to Antrim County officials, because of the number of fatal traffic accidents that occur in the stretch where the road narrows from four lanes to two and then spreads from two lanes to four.

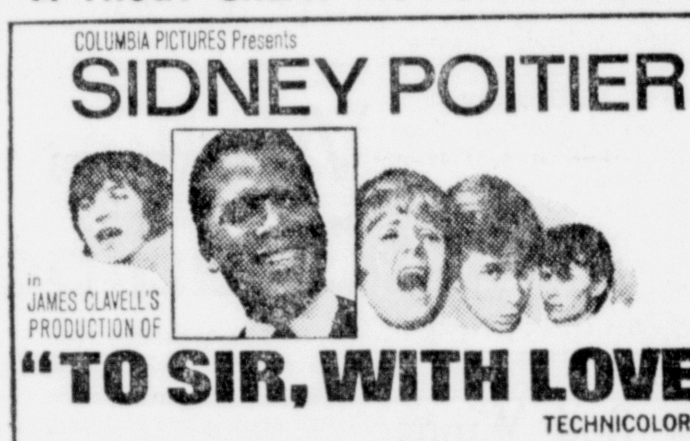

The most recent accident was last week when three men were killed in a collision on that stretch of road.

Davis said Highway Department officials told him the route would be opened for the remainder of winter and all of summer. He said they also promised to take steps to permanently end the problem.

Briefly Told

The Ladies Society of the Brotherhood of Locomotive Firemen and Engineers will meet at the home of Mrs. Robert Wilbee, 1320 Wisconsin Ave., at 7 p.m. Wednesday.
